

## Persons Taking and Passing the 2025 Bar Examination by Source of Legal Education

The "Law School Outside the USA" category includes foreign-educated graduates who subsequently obtained a US law degree other than a JD (e.g., LL.M., SJD). Foreign-educated graduates who subsequently obtained a JD from an ABA-approved law school are included in the "ABA-Approved Law School" category.

\* **California** does not recognize US attorneys taking the General Bar Examination as being from either ABA-approved or non-ABA-approved law schools. This number of applicants (584 taking, 467 passing) is therefore omitted from either category. California's "US Attorneys Taking the General Bar Exam" category is composed of attorneys admitted in other jurisdictions less than four years who must take, and those admitted four or more years who elect to take, the General Bar Examination.

Applicants under California's four-year qualification rule who did not earn JD degrees (38 taking, 10 passing) are not included in either the ABA-approved or non-ABA-approved category. California's four-year qualification rule allows applicants to take the General Bar Examination through a combination of four years of law study without graduating from a law school.
